

Tone H. Bachke

Tone H. Bachke, born 1972, has more than 20 years of business experience in an international context. In Telenor, she has held the position as SVP and Head of Group Treasury upon joining the company in September 2018. She has a broad range of management positions in several companies and across industries, including CEO of Implenia Norge AS, CFO of Kistefos AS, as well as various management positions in Aker Solutions, including SVP and CFO of Aker Process Systems. She also serves on the Board of Directors for Veidekke ASA.

Education: Bachke holds a degree in economics and business administration from Norwegian School of Economics (NHH).

Jørgen C. Arentz Rostrup

Jørgen Rostrup, born 1966, has more than 20 years' business experience in an international context. For the past years as CFO for Telenor Group, Jørgen has been instrumental in setting a solid course for the company of growth and modernisation. Through Telenor's operational excellence measures, a sharper focus on what creates value, and a dedication to uncovering efficiencies over time, the company is today one of the best-positioned global telcos. Prior to joining Telenor Group in 2016 as CFO, he served as President of Yara North America, Inc. Rostrup has held a broad range of management positions in two of Norway's leading companies, including Country Manager for Yara Ghana Ltd., CFO in Norsk Hydro AS, Executive Vice President Energy in Hydro and CFO for Hydro's Norwegian oil and gas activity. Rostrup has also served on several boards, including positions within the private equity and investment banking area.

Education: Rostrup holds a degree in economics and business administration from Norwegian School of Economics (NHH).
